Mr. Moore,  
I have Clean Harbors and Nexeo looking at what it will take to pickup these tanks and take them for recycle/disposal. I gave them permission to talk to you to get site details and see the tanks if necessary to determine the best removal plan.

Christy

I am working on a cleanup at the former CES Environmental Facility at 4904 Griggs Rd, Houston, TX through a Superfund cleanup action.

We have 5 poly tanks that belong to you. We would like you to retrieve these containers off the site.

Please have the appropriate person contact me to make arrangements.
